

# Twin Eagles Villas & Preserves

## Architectural Colors & Specifications

**The following color selections can be used for both the Villas & Preserve**

### **House Colors:**

These are to match the siding colors:

Colors: Wicker, Clay, Herringbone

Color: Natural Clay, Prairie Sand, Granite Grey

**Front Post Light Color:** The post on your front light is to match the color of your Villa siding

### **Front Door & Shutter Colors:**

Grapevine Wreath #30YR 12/122

Caisson Green #45YY 24/1158

Ochre Tan #90YR 26/250

Grey Tweed #30YY22/059

Grey Mountain #40YY 25/074

Smokey Glass #50YR 22/052

Iron Mountain #2134-30 (Benjamin Moore)

Black Burgundy #30YR 09/146

### **Supplier:**

The colors above can be purchased and mixed to order. Contact Maumee Paint & Supply, 302 Stone Point Dr, Fort Wayne. The architectural committee has reviewed this with Maumee, and they have all the formulas and can mix the colors.

### **Vinyl Siding Colors:**

Company: American Legend, HFM

Company: Reese Roofing

Style: Wolverine

Style: Monogram Series

Colors: Wicker, Clay, Herringbone

Color: Natural Clay, Prairie Sand, Granite Grey

**Roofing:**

Company: Reese Roofing

Company: Landmark

Color: Weather Wood (30 Year)

Color: Driftwood (30 Year)

**Supplier:**

The products above can be purchased from Reese Central Wholesale, 4815 Speedway Dr, Fort Wayne. Please note some of the siding must be special ordered. Due to weathering and fading it may be best to take a piece of the siding in to get a color match. Both shingle colors are also still available but have to be ordered in carton lots.

Another alternative for the siding and roofing would be Trinity Wholesale, 1501 Lincoln Hwy E, New Haven.

**Light Post Contractor:**

There are two contractors you can contact for new Cedar post light bases, the cost is approximately \$800 for a complete new post wired and installed:

Rick Weingart (260) 715-6008
